

The Wantagh School District's Food Service Department is excited to offer MySchoolBucks to you as an alternate way to pay for your child's meals at school. This secure, online payment service provides a quick and easy way to add money to your student's meal account using a credit or debit card. It allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. You can also view recent purchases, check balances, and set-up low balance alerts.

The MySchoolBucks Online Payment Service will be available starting September 13, 2016.
