Dear Parents,

As the Thanksgiving holiday approaches, please be advised that a new travel advisory, and new mandatory quarantine and COVID-19 test requirements, are in effect as of November 4, 2020. The only exception is for travel to states that border New York State, including Massachusetts, Vermont, New Jersey, Connecticut, and Pennsylvania.

You can find all of the details of the [NYSDOH Travel Advisory here](#). If you plan on traveling outside of New York State beyond a border state for any reason, please alert your child's school.

Thank you in advance for your cooperation and diligence to help keep us all safe and healthy. If you have any questions regarding your obligations specific to return from out-of-state travel, please contact the Nassau County Department of Health at (516) 227-9697 or visit their [website](#).

Sincerely,

John C. McNamara
Superintendent of Schools
